

Melody Fair

Lulu

Who is the girl with the crying face
Looking at millions of signs?
She knows that life is a running race
Her face shouldn't show any line

Melody fair, won't you comb your hair?
You can be beautiful, too
Melody fair, remember, you're only a woman
Melody fair, remember, you're only a girl

Who is the girl at the window pane
Watching the rain falling down?
Melody, life isn't like the rain
It's just like a merry-go-round

Melody fair, won't you comb your hair?

You can be beautiful, too
Melody fair, remember, you're only a woman
Melody fair, remember, you're only a girl

Who is the girl with the crying face
Looking at millions of signs?
She knows that life is a running race
Her face shouldn't show any lines

Melody fair, won't you comb your hair?
You can be beautiful, too, too, too, too, too
Melody fair, remember, you're only a woman
Melody fair, remember, you're only a girl
