

So In Love

Lulu

As we stroll along, together
Holding hands, walking all alone
So in love are we two that we don't know what to do
So in love (so in love) in a world of our own (so in love)

As we stroll by the sea together
Under stars, twinkling high above
So in love are we two, no one else but me and you
So in love (so in love) so much in love (so in love)
so in love (so in love) so much in love (so in love)

We stroll along together
I tell you I need you oh so much
I love, love you, my darling
Can't you tell it in my touch
When we walk down the aisle together
We will vow to be together 'til we die
So much fun have we two, just can't wait to say I do

So in love (so in love) so much in love (so in love)
So in love (so in love) so much in love (so in love)
So in love (so in love) so much in love (so in love)
