

Take Good Care of Yourself

Lulu

Take good care of yourself
Take good care of yourself
I worry 'bout you
When you're gone

When you leave my arms
I feel so bad
I just think about
The good times we had

And when we kiss goodnight
Ooh, I wanna cry
I can't wait 'til you're back
Back in my arms again

Ooh baby
Take good care of yourself
Take good care of yourself
I worry 'bout you
Ooh, when you're gone

I wish there could be
A way for us
To be together
Both day and night

When I see you leave
How thoughtful, aren't we
Call as soon as you
Walk in that door
And I won't have to
Worry no more

Take good care of yourself
Take good care of yourself
I worry 'bout you
Ooh-ooh, when you're gone

So baby, baby
Take good care of yourself
I worry 'bout you, 'bout you
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself
Take good care of yourself

I worry 'bout you, 'bout you
'bout you, 'bout you, 'bout you, baby
I worry 'bout you, yeah

I worry 'bout you, 'bout you,
'bout you, 'bout you, 'bout you, baby

Don't you worry 'bout me

I worry 'bout you, 'bout you
'bout you, 'bout you, 'bout you
