

# To Love Somebody

Lulu

There's a light  
A certain kind of light  
That never shone on me  
I want my life to be  
Lived with you, lived with you  
There's a way  
Ev'rybody say  
To do each and every little thing  
But what does it bring  
If I ain't got you, ain't got

You don't know what it's like  
Baby, you don't know what it's like  
To love somebody, to love somebody  
The way I love you

In my brain  
I see your face again  
I know my frame of mind  
You ain't got to be so blind  
And I'm blind, so very blind

I'm a man  
Can't you see what I am  
I live and breathe for you  
But what good does it do  
If I ain't got you, ain't got you

Oh yeah  
You don't know what it's like  
Baby you don't know what it's like  
To love somebody, to love somebody  
To love somebody oh yeah

To love somebody  
The way I love you  
You don't know, you don't know  
To love somebody, to love somebody  
You don't know, ooh  
To love somebody, to love somebody  
The way I love you
