

Try to Understand

Lulu

I've been living with a shadow overhead
I've been sleeping with a cloud above my bed
I've been lonely for so long
Trapped in the past, I just can't seem to move on

I've been hiding all my hopes and dreams away
Just in case I ever need 'em again some day
I've been setting aside time
To clear a little space in the corners of my mind

All I want to do is find a way back into love
I can't make it through without a way back into love, oh oh oh

I've been watching, but the stars refuse to shine
I've been searching, but I just don't see the signs
I know that it's out there
There's got to be something for my soul, somewhere

I've been looking for someone to shed some light
Not somebody just to get me through the night
I could use some direction
And I'm open to your suggestions

All I want to do is find a way back into love
I can't make it through without a way back into love

And if I open my heart again
I guess, I'm hoping you'll be there for me in the end

There are moments when I don't know if it's real
Or if anybody feels the way I feel
I need inspiration
Not just another negotiation

All I want to do is find a way back into love
I can't make it through without a way back into love

And if I open my heart to you
I'm hoping you'll show me what to do
And if you help me to start again
You know I will be there for you in the end
