

Crashin' a Party

Lumidee

Yea Yea uh huh And when we come in da club wit 2 stepin like
Hands in da air like
What What
Uptowns up in here like
What What
We tear up da club and we dont wait all nighters V.I.P insighte
rs

Baby its saturday night and im feelin hype dont wanna let this
weekend pass me by so
I called up my girls Like "Yo lets meet a 12 cuz we out to nigh
t" I've been waitin for this night all day me and my girls
gonna show this boys how to play cuz
I know its gonna be tight but I aint waitin on no damn lines to
night.

I feel like crashin a party
V.I.P dont try to stop me
you can like my stlye but dont copy
Ladys let me know if you got me. (2x)

Im up in the club the whole hood is there all eyes on my yes im
aware
so you kno I loves my thugs Remember mike show some love
now the croud is jumpin so I make my way to the floor were gonn
a rock it in every way cuz
I dont do this all the time but im feelin the whole vibe tonigh
t

You see its summa sunshine its summa rain its some love and som
e joy and some pain
Yo some get lucky really make it in the game
while others get locked up for --- my slain
see when we come through see they gotta check us
You and your lil tetas I'm in my chanchletas and shit my mami c
hulo love me like menudo who need a pillow
Ima sleep on her coolo shit pop that rock that who wore my sock
s hat yea my own J.LO who could top that im smokin ---
still feelin on your --- if it aint a private jet least be firs
t class and uh
im always chillin with my lady and dem
I got them living hood rich like baby and dem the go woah woah
we still together baby we gotta hit up da clubs thats like fore
ver baby
