LUNA SEA

If you haven't been satisfied completely break everything

I had a dream it was very beautiful dazzling and too tender

It was chosen the thing that will be broken "Three, Two, One, Break..."

Days when I loved and was loved  
Beyond the light I can't reach

Afraid of the thing that will be broken "Three, Two, One, Break..."

Days when I loved and was loved  
Beyond the light I can't reach

Days when I loved and was loved  
Beyond the wonderful light

Even if everything is lost
