

## Ride Into the Sun

Luna

Lookin for another chance  
For someone else to be  
Lookin for another place  
To ride into the sun

Ride into the sun  
Ride into the sun  
Ride into the sun  
Ride into the sun

Waitin for the ships to sail  
Looking for an end  
Ridin for another time  
To ride into the sun

Ride into the sun  
Ride into the sun
