

Perfume Recalling

Lunandscape

Somehow you always find me
Somehow you never break the chain
You don't need to remind me
I don't need to explain
Remember the lies you ignored
Remember the scent you adored

Perfume recalling
A fading arcane
Perfume recalling
A flavour of pain

I can feel you're behind me
I can feel your trembling fear
You'll never hide your violent envy
You'll never be sincere
Remember the scent you adored
Remember the lies you ignored

Perfume recalling
A fading arcane
Perfume recalling
A flavour of pain
