

Gridlock

Luscious Jackson

This bubble's about to bust
If you'll come clean
How you feel about me
I'm so tired
Tryna to figure you out
I keep on crying
When I wanna shout

You asked I stop
Bein' such a fool
Why can't I just
Forget you?

Gridlock
I can't move on
Gridlock
You played me so hard
Gridlock
I can't move on
You've got a vice grip on my heart
And you're tearin' me apart

You started off
Treatin' me like a queen
Once you got me that's when
You started bein' mean
Messin' with my head
You come back in my face
And took it away

You asked I stop
Bein' such a fool
Why can't I just
Forget you?

Gridlock
I can't move on
Gridlock
You played me so hard
Gridlock
I can't move on
You've got a vice grip on my heart
And you're tearin' me apart
Tearin' me apart

Gridlock
I can't move on
Gridlock
I can't believe [?] same song
Gridlock
Can't move on
You've got a vice grip on my heart
You're tearin' me apart
You play me so hard
Play me so hard
You play me so hard
Play me so hard

Gridlock
I can't move on
Gridlock
You played me so hard
Gridlock
I can't move on
You've got a vice grip on my heart
And you're tearin' me apart

Gridlock
I can't move on
Gridlock
You played me so hard
Gridlock
I can't move on
You've got a vice grip on my heart
And you're tearin' me apart
Tearin' me a...
