

Stay Awake

Lustra

If we don't kill ourselves we'll be the leaders of a messed up generation
If we don't kid ourselves will they believe us if we tell them the reasons why
Did we take it too far, take it too far
Did we chase the rabbit into wonderland
Lose a hundred grand, will they understand
It was all to stay awake for the longest March on, always after us
Lost troops, half the class of us
You man ain't seen the last of us
Stick around, yeah like elastoplast
Not half mast, raise the flag
Kick the sand
To let you know that we're coming and we're nasty man. Don't need sleeping beauty
No, it's what you do to me
Come midnight and daybreak
Yes please gotta find me a namesake
We got faith but don't need bibles
Take the micheal, hear my recital
I hold the title, quite vital
We get high on the opposite of nital It was all to stay awake for the longest
And, it was wrong
It was wrong, but it felt so right See you at the finish line
See you at the finish line
If you got the heart to join us If we don't kill ourselves we'll be the leaders of a messed up generation
If we don't kid ourselves will they believe us if we tell them the reasons why
Did we take it too far, take it too far
Did we chase the rabbit into wonderland
Lose a hundred grand, will they understand
It was all to stay awake for the longest March on, always after us
Lost troops, half the class of us
You man ain't seen the last of us
Stick around, yeah like elastoplast

Yes please gotta find me a namesake
We got faith but, don't need bibles
Take the micheal, hear my recital
I hold the title, quite vital
We get high on the opposite of nital We just grow, if it's late
Then we'll show, we don't wait
We just grow, if you hate
We don't show, we don't wait
We just grow, if it's late
Then we'll show, we don't wait
We just grow If we don't kill ourselves we'll be the leaders of a messed up generation
