

Reaching Out

Luther Allison

I'm reaching out for your love
You are the only one, I'm thinking of
Let me touch you babe, with all my heart
Try to promise me we'll never part

Oh, oh, oh, what can I say?
I need the loving babe, everyday
Oh, oh, oh, I have no pain, I'm a sane man
Just trying to get your love, I wanna give it back

Every Monday is the beginning of my week
Every Tuesday, I have to hit the street

Oh, oh, oh, what can I say?
I need to feel your body, a-both night and day
Oh, oh, oh, I feel so good when I know babe
You love me so, yeah, I wanna hold you

You are my pride and joy
Could you reach out, baby?
I'm your little toy, yeah

Oh, oh, oh, what can I do?
I need to hold on tight to you
Oh, oh, oh, what can I say?
Let me love you, baby, night and day

Hey, hey, love, no, love is what I'm looking for
I'm reaching out, I'm reaching out for more
I'm reaching out, reaching out, reaching out
I just wanna little more of your loving, loving
Honey, honey, honey

I need your love, I need your love
I need your love, I need, I need your love, baby
A little bit of love and a little bit of love and
Good old love, need it, I need it, I need it
Oh, oh, oh, I need your love

Give it to me, give it to me
Just give it to me, give it to me
Don't make me beg you, baby
I don't wanna beg you, yeah, I don't
