

You Been Teasin' Me

Luther Allison

You Been Teasin' Me
You Been Teasin' Me
I think I've got to go
Baby, I can't take no more

You Been Teasin' Me
You Been Teasin' Me
You wear your dress so tight
You know it just ain't right

Why me?
But I guess you know what you're doing
You gotta take it out on somebody
I guess it might as well be me

You Been Teasin' Me
You Been Teasin' Me
The way you shake that thing
Baby, the way you make your body swing

One time I saw you
In your negligee
You didn't know I was looking at your body
But you teased me anyway
