Wait for Love

Luther Vandross

Knowing love the way I do I can say for certain that it's true There's a chance for me and you I surely feel like the time is near The picture in my mind is very clear I think love has brought us here

I remember not too long ago I was just a lonely person with a lonely heart, yeah And I was hopin' there could one day be Be a chance for me to

Get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get the Chance to love wait for love, wait for love Ooh my

When you take the chance on love you see It's not a waste of time if you truly believe The impossible can be So hold on tight if you think you're right 'Cause nothing hurts as bad as when you see You gave up too easily

Now I remember spending all my time On a dream that kept me wishing that you could be mine, yeah And I was hopin' there could one day be Be a chance for me to

Get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get the Chance to love wait for love, wait for love Ooh my

I never stopped believing there could one day be Be a chance for me to

Get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get your Chance to love wait for love, wait for love

And you get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get your Chance to love wait for love, wait for love

And you get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get your Chance to love wait for love, wait for love

And you get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get your Chance to love wait for love, wait for love

And you get the love Sometimes love it takes a long time But, wait for love and you're gonna get your Chance to love wait for love, wait for love

And you get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get the Chance to love wait for love, wait for love

And you get the love that I'd been missin' Sometimes love takes a long time But, wait for love and you're gonna get the Chance to love wait for love, wait for love

And you get the love Sometimes love takes a long time Wait for love
