

All Night

Lyfe Jennings

Yeah, Yeah, Yeah, Yeah
Yeah, Yeah, Yeah, Yeah, Yeah
Yeah, Yeah, Yeah, Yeah, Yeah, Yeah

All night long 'imma love you, love you
All night long 'imma love you ('imma love you)
All night long 'imma love you, love you
All night long 'imma love you

[?] the lights flashing
She is so outstanding
Don't know how she managed to be so incredible
It's like, magic
She got so much passion
Other ladies [?], she isn't forgettable

A girl like this you only find once in your life (once in a lifetime)
Give you anything anytime if you treat her right
She's not stuck up, she's a daddys girl
And he told her she deserves the world (woah)

All night long 'imma love you, love you
All night long 'imma love you
All night long 'imma love you, love you
All night long 'imma love you

All night long 'imma love you, love you
All night long 'imma love you
All night long 'imma love you, love you
All night long 'imma love you

She might, like you
Don't mean she won't fight you, no
Standing right beside you the whole [?]
Her life's not perfect (no) but what she has, she deserves it
Lot of work but it's worth it (so worth it)
Took a long time to learn this

A girl like this you only find once in your life (once in a lifetime)
Give you anything anytime if you treat her right
She's not stuck up, she's a daddys girl
And he told her she deserves the world (I deserve it)

All night long 'imma love you, love you
(Let me love, let me love you)
All night long 'imma love you
(Just come let me love you)
All night long 'imma love you, love you
All night long 'imma love you
All night long 'imma love you, love you (let me love you)
All night long 'imma love you
(Just come let me love you)
All night long 'imma love you, love you
All night long 'imma love you

City wife, yeah, city queen
No one can ever try [?] come between

Loving you ain't easy but I'm willing
Holding it firm, hanging onto a dream
This regime (ay)
You know that you want me so you [?] do me right
Give me the loving and I [?] tell you twice
Know you got plans for tonight but we doing this for life

All night long 'imma love you, love you
All night long 'imma love you
All night long 'imma love you, love you
All night long 'imma love you (all night long)
All night long 'imma love you, love you
All night long 'imma love you
All night long 'imma love you, love you
All night long 'imma love you

All night long 'imma love you, love you
All night long 'imma love you
All night long 'imma love you, love you
All night long 'imma love you (all night long)
