

# Slave

Lyfe Jennings

Ayo, you  
You don't get your ass over here  
Slow this shit down a lil' bit

Yeah, yeah  
Your heart is racin' like a hundred miles an hour  
Yeah, yeah  
That pussy drippin' like you just got out the shower  
Yeah, yeah  
Got that ass hoppin' just like a frog  
Yeah, yeah  
Got your legs shakin' like two wet dogs

This ain't the part we fall in love  
This is the part we kiss and fuck  
Do all the things we said we never do

I'm gon' beat it like a slave so you don't run away  
Got the whips and chains, call me master  
I'm gon' beat it like a slave and work you every day  
And do everything I say, I'm your master  
I'm gon' beat it like a slave  
I'ma beat that pussy like a slave

Yeah, yeah  
Your booty movin' like your body just got foreclosed  
Yeah, yeah  
Your milk is pourin' like you own a bowl of Cheerios  
Yeah, yeah  
And I'm goin' deeper with every stroke, stroke  
Yeah, yeah  
Pull out all your hair like you're Amber Rose  
Undies on the floor

This ain't the part we fall in love  
This is the part we kiss and fuck  
Do all the things we said we never do

I'm gon' beat it like a slave so you don't run away  
Got the whips and chains, call me master  
I'm gon' beat it like a slave and work you every day  
And do everything I say, I'm your master  
I'm gon' beat it like a slave  
I'ma beat that pussy like a slave  
I'ma beat that pussy like a slave
