

EXODUS

lynch.

Drawing a line.
Putting the name on each territory.
Tell me what you are afraid of.
It means nothing to me.

Yes, I'm not somebody who...
who's not loved by you.
Well, you don't know what I am.
You're ready to fight?

Now it's time to spread it out.
The darkness inside of me.
Leave me alone, know what I want.
Eat'em till the end.

Now it's time to spread it out.
The darkness inside of me.
Leave me alone, know what I want.
Eat'em till the end.

kage otoshi yami o tsukitateru

amai yume o hajimeyou

Break down the wall
made of the words mean nothing to me.
