Never Ending Song Of Love

Lynn Anderson

I've got a never ending love for you from now on that's all I \mbox{w} ant to do

From the first time we met I knew I'd have a never ending love for you

I've got a never ending love...

After all this time of being alone We can love one another feel for each other from now on Feels so good I can hardly stand it Never ending love...

After all this time of being alone...
