

# Okie From Muskogee

Lynn Anderson

We don't smoke marijuana in Muskogee we don't take no trips on  
LSD  
We don't burn out draft cards down on Main Street  
'Cause we like living right and being free  
We don't make a party out of loving but we like holding hands a  
nd pitchin' woo

We don't let our hair grow long and shaggy like the hippies out  
in San Francisco do  
And I'm proud to be an Okie from Muskogee  
A place where even squares can have a ball  
We still wave Ole Glory down at the courthouse

And white lightning's still the biggest thrill of all  
Leather boots are still in style for manly foot wear  
Beads and Roman sandals won't be seen  
Football's still the roughest thing on campus

And the kids here still respect the college dean  
And I'm proud to be...  
And white lightning's still the biggest thrill of all in Muskog
