All I Can Do Is Write About It

Lynyrd Skynyrd

Well this life that I've lead has took me everywhere There ain't no place I ain't never gone But its kind of like the saying that you heard so many times Well there just ain't no plae like home Did you ever see a she-gator protect her young Or a fish in a river swimming free Did you ever see the beauty of the hills of Carolina Or the sweetness of the grass in Tennessee And Lord I can't make any changes All I can do is write 'em in a song I can see the concrete slowly creepin' Lord take me and mine before that comes

Do you like to see a mountain stream a-flowin' Do you like to see a youngun with his dog Did you ever stop to think about, well, the air your breathin' Well you better listen to my song And Lord I can't make any changes All I can do is write 'em in a song I can see the concrete slowly creepin' Lord take me and mine before that comes

I'm not tryin' to put down no big cities But the things they write about us is just a bore Well you can take a boy out of ol' Dixieland But you'll never take ol' Dixie from a boy And Lord I can't make any changes All I can do is write 'em in a song I can see the concrete slowly creepin' Lord take me and mine before that comes 'Cause I can see the concrete slowly creepin' Lord take me and mine before that comes
