

Bring It On

Lynyrd Skynyrd

Uhh Huh That's right

Missy was a real fine looker
Always had an eye for the boys
Man I always wanted to book that girl
Play around with some of her toys

I said, my my, oh can you look at them eyes
I said oh no Lord here we go
Don't you pretend you don't know
Bring it on
Yeah baby

Rumor says she from the bayou
Searchin' for her fortune and fame
Man she's got a way about her
She's drivin' all us poor boys insane

I said, my my, oh can you look at them eyes
I said oh no Lord here we go
Don't you pretend you don't know
Bring it on
Give it to me baby
I've been waiting for it all night long
Bring it on
I know you got it in you to shake my sheets
To your rock n roll beat
Bring it on, you can bring it on

Just about the time I thought I had it made
I felt a slap on my shoulder
I turned around and had to stare up at him
He said little man you best think this over

I said my, my oh take a look in his eyes
I said, oh no, Lord here we go
The band's on a break lets give this bar a show
Bring it on, give it to me mister
We can fight about her all night long
Bring it on, take your best shot
Oh bring it, bring it on
Oh no
We can fight about her all night long
Bring it on
