

Gifted Hands

Lynyrd Skynyrd

G
I remember the day that he came in
D
I can't believe how long it's been
C **G**
Like a poet, he began to play
G
Just an old friend that hung with the band
D
A drinkin' man he had no plan
C
But he played the 'Bird...
G
Played it for free

G
'Cause I know he's here
D
He's everywhere
C **G**
Take a look around oh and you will see
G
That cross we bear
D
It's in the air
C **G**
Lord we thank you for these gifted hands

G
There are demons we live with every day
D
That tear at our hearts and take us away
C
To another place
G
Some of us don't get back
G
This song is for the hands of the workin' man
D
Who believes in himself and he understands
C **G**
Love, hope, and faith are The Maker's plan

G
'Cause I know he's here
D
He's everywhere
C **G**
Take a look around oh and you will see
G
That cross we bear
D
It's in the air
C **G**
Lord we thank you for these gifted hands

One day we'll all take that ride

C

D

And with those gifted hands I know you'll fly
