Life is so strange when its changin', yes indeed Well I've seen the hard times and the pressure's been on me But I keep on workin' like the workin' man do And I've got my act together, gonna walk all over you

## [chorus]

Gimme back my bullets
Put 'em back where they belong
Ain't foolin' around 'cause I done had my fun
Ain't gonna see no more damage done
Gimme back my bullets

Sweet talkin' people done ran me out of town

And I drank enough whiskey to float a battleship around

But I'm leavin' this game one step ahead of you

And you will not hear me cry 'cause I do not sing the blues

## [chorus]

Gimme back my bullets
Put 'em back where they belong
Ain't foolin' around 'cause I done had my fun
Ain't gonna see no more damage done
Gimme back, gimme back my bullets
Oh, put 'em back... where they belong

Been up and down since I turned seventeen
Well I've been on top, and then it seems I lost my dream
But I got it back, I'm feelin' better everyday
Tell all those pencil pushers, better get out of my way

## [chorus]

Gimme back my bullets
Put 'em back where they belong
Ain't foolin' around, 'cause I done had my fun
Ain't gonna see no more damage done
Gimme back, gimme back my bullets
Oh put 'em back where they belong
Gimme back my bullets
