

# God & Guns

Lynyrd Skynyrd

Last night I heard this politician  
Talkin' 'bout his brand new mission  
Liked his plans but they came undone  
When it got around to God & guns

I don't know how he grew up  
But it sure wasn't down at the huntin' club  
'Cause if it was he'd understand  
Just a little bit more about the workin' man

God & guns keep us strong  
That's what this country was founded on  
Well, we might as well give up and run  
If we let 'em take our God & guns

Out here in my neck of the woods  
Where God is great and guns are good  
You really can't know that much about 'em  
If you think we're better off without 'em

Oh, there was a time we ain't forgot  
You could rest all night with your doors unlocked  
But there ain't nobody safe no more  
So you say your prayers and you thank the Lord  
For that peace maker in the dresser drawer

God & guns keep us strong  
That's what this country, Lord, was founded on  
Well, we might as well give up and run  
If we let 'em take our God & guns

Yeah, we might as well give up and run  
If we let 'em take our God & guns  
Yeah, oh, God & guns

Don't let 'em take  
Don't you let 'em take  
Don't let 'em take our God & guns

Oh, God & guns, yeah, keep us strong  
That's what this country, Lord, was founded on  
Well, we might as well give up and run  
If we let 'em take our God & guns
