

# Good Thing

Lynyrd Skynyrd

My baby came home late last night  
I said girl I gotta talk to you  
I've been drinkin' with the man next door  
He said he's been singin' with you  
Whoever's tellin' lies it's time to say bye-bye  
You know my mama didn't raise no fool

[chorus]

You're gonna walk out that door you'll never see me anymore  
Tell you what I'm gonna do  
I'm gonna love ya' just one more time  
I'd love to see what you've got  
I don't care if it takes all night  
Gonna make you remember for the rest of your life oh baby  
We had a good thing a good thing goin'  
But ain't been seein' eye to eye  
You had a good thing but it's all over  
Might as well wave and say goodbye

It's easy to see the guilt in your eyes  
Girl I want you to tell me the truth  
Was he worth the risk and all the trouble he's caused  
Now it comes down to me and you  
You thought I was blind when you were gone all the time  
Playin' me for a fool

[repeat chorus]

We had a good thing goin' baby but it's all over

Good thing, good thing goin'.....
