Keeping the Faith

Lynyrd Skynyrd

```
Are you a saint then don't be a stranger
Were you sent down from Heaven to show me the way
And if you ain't then I see a danger
You better take a minute and hear what I've got to say

[chorus]
'Cause I'll keep on tryin' to put it straight to you
You better give it straight to me
'Cause most women seem to have a good time
Makin' a fool out of me
I'm keepin' my faith I've made up my mind
I've got nothin' left to lose just lay it on the line
I'm keepin' my faith yea I'll find the one
Who won't steal me blind who won't turn and run
I'm keepin' my faith I'm trustin' in you
So don't treat me like those other ones do
Ain't no gettin' 'round it tell me to my face
Do you think I'm a fool for keepin' my faith in you

I'll treat you right I'll do you better
I won't disappoint you I won't make you cry
My friends tell me if you let her
She'll empty your pockets she'll spend you dry

[chorus 2x]
