

# One Day at a Time

Lynyrd Skynyrd

Angels sing and buzzards fly  
Kingdoms fall and rivers rise  
It's all the same since a sin is a lie  
Some are free but we're all doin' time

[Chorus:]

One day at a time smell the roses taste the wine  
One day at a time no stop signs or red lights  
That wheel keeps turning on and on, day and night  
No one survives ain't no use in crying  
What ain't dead is surely dying one day at a time

Money burns and good gold shines  
Dreamers dream and find us fine  
World keeps spinning round and round  
Save our souls before it all comes down

[Chorus:]

One day at a time smell the roses taste the wine  
One day at a time no stop signs or red lights  
That wheel keeps turning on and on, day and night  
No one survives ain't no use in crying  
What ain't dead is surely dying one day at a time

[Chorus:]

One day at a time smell the roses taste the wine  
One day at a time no stop signs or red lights  
That wheel keeps turning on and on, day and night  
No one survives ain't no use in crying  
One day at a time  
One day at a time smell the roses taste the wine  
One day at a time no stop signs or red lights  
That wheel keeps turning on and on, day and night  
No one survives ain't no use in crying  
What ain't dead is surely dying one day at a time
