

Pick 'Em Up

Lynyrd Skynyrd

Oooooooooo.... Yeah OOOOOOOOOO

Well sometimes I lose my direction, And sometimes I jump off track

But when I ride out baby, I can always get back

I need to feel the cool breeze in my face, The rumble of the engines between my legs

Hey little sister, You can color me gone

So if I want to stay out all night long, You can't stop me from running wild

Yeah don't worry how long I'm gone, I'll come back every once and a while

I pick 'em up, I lay 'em all down

I never like my feet, to ever hit the ground

Don't miss me when I'm gone, Cause I'll be around

I'm a free spirit baby pick me up and lay me on down

That's right. Wooo

Well I know I got a good life, Jim Beam, And women, They treat me right

I make my own rules, Like it or not

Now don't misunderstand me baby, I give it every once and a while

Well it's tough love honey, But I'll leave you with a smile

So if I want to stay out all night long, You can't stop me from running wild

Now don't worry how long I'm gone, I'll come back every once and a while

I pick 'em up, I lay 'em all down

I never like my feet, to ever hit the ground

Don't miss me when I'm gone, Cause I'll be around

I'm a free spirit baby pick me up and lay me on down

I've been here, I've been there, I've been everywhere

I wouldn't tell you no lies

and just like me you're a wild one, Won't you take me for a ride

I pick 'em up, and lay 'em all down

I never like my feet, to ever hit the ground

Don't miss me when I'm gone, Cause I'll be around

I'm a free spirit baby pick me up and lay me on down

Yeah I'm a free spirit baby pick me up and lay me on down

You got to lay me on down, Yes you do

I'm a free spirit, Oh you know you are Johnny
Oooooooh That's what I am Oooooooh
