Lynyrd Skynyrd

I asked the wiseman one sunny day Can you help me find my way You're so much older and wiser too Would you help me mr wiseman I'm feelin' blue Oh I'm not satisfied

He said you're not doin too bad, not bad at all You're just trying to walk son before you can crawl You got stacks of money to sky up above Now all you need is to find you a love

He sent me searchin' to find my love He sent me searchin' to the Lord up above He sent me searchin' just to find the mornin' dove And she'll tell you where to find your love Oh mr wiseman I need to find my love

You can have anything in this god's world But you won't be happy son 'til you find a girl Now you can be happy boy if you try Find a woman boy, you'll be satisfied

He sent me searchin' to find my love He sent me searchin', I said Lord up above He sent me searchin' just to find the mornin' dove And she'll tell you where to find your love

He sent me searchin' to find my love He sent me searchin', I said Lord up above He sent me searchin' just to find the mornin' dove And she'll tell you where to find your love

Oh Lord, he sent me searchin'
