

# South of Heaven

Lynyrd Skynyrd

There's a honky-tonk just south of Georgia  
A little salvation just a' waitin' for ya'  
I heard it said a long time ago  
If your lookin' for your soul  
Down a dirt road just across the border

Well the harder it comes you know the easier it goes  
If you can make your way a little further down that road, yea  
When your caught up in between  
Or just dyin' to be set free

[chorus]  
South of Heaven  
Always endin' up  
No matter how I try  
I'm just south of Heaven  
Don't wanna' think you can have it all  
'Cause all I need is just south of Heaven

There's a little girl they call the sweet thing  
Been some time I'd like to tell you one thing  
You have nothin' left to lose  
So by the time that you come to  
You'll be one more callin' her name

Well the harder it comes you know the easier it goes  
If you can make your way a little further down that road, yea  
When your caught up in between  
Or just dyin' to be set free

[repeat chorus]

[repeat first verse]

[repeat chorus]

And when I die don't cry for me  
'Cause I'll be just south of Heaven  
South of Heaven  
All I want, all I need, all I want  
Is south of Heaven
