I'm the kind of man that loves all the girls
From debutants to honky-tonk queens
I've tasted every brand, all around the world
But all I see are peaches in my dreams

I'm talkin' 'bout, I'm talkin' 'bout them southern women

It's a well known fact across the Dixie line
And if a man don't agree, I can tell you he's blind
They can drink with the best and the hell with the rest
And if she takes you home you ain't gettin' no rest

Well, I'm talkin' 'bout, I'm talkin' 'bout them southern women I'm talkin' 'bout, I'm talkin' 'bout them southern women I'm talkin' 'bout, they'll love you so, slow, them southern wom en

Them southern girls

They look like angels on Saturday night, oh Lord, they got a wild side

Take you places that you've never been, make a man come back ag ain

Talk about mamas, southern belle, little girl learned her lesso n well

Ain't no others can cast a spell like the sweet southern women

I'm talkin' 'bout, I'm talkin' 'bout them southern women

Them southern girls

They look like angels on Saturday night, oh Lord, they got a wild side

Take you places that you've never been, make a man come back ag ain

Talk about mamas, southern belle, little girl learned her lesso n well

Ain't no others can cast a spell like the sweet southern women Southern women

They can make a man feel so proud

They can capture him with a southern style

Little girl learned her lesson, well ain't no others can cast a spell

Like the sweet southern women, them southern girls

Southern women Southern women

Make a man feel so proud

Southern women

Make it feels like a ...-4:05
