

# Was I Right Or Wrong

Lynyrd Skynyrd

Like a restless leaf in the autumn breeze  
Once I was a tumblin' weed  
Like a rollin' stone, cold and all alone  
Living for the day my train would come  
I never cared for school or any golden rules  
Papa used to always say I was a useless fool  
So I left my home to show them thay was wrong  
And headed out on the road singing my song  
Then one sunny day. The man, he looked my way  
And everything that I dreamed of, it was real  
Money, girls and cars; and big long cigars  
And I caught the first plane home so papa would see

When I went home to show 'em they was wrong  
All that I found was two tombstones  
Somebody tell me please was I right or wrong  
Oh, such a sad song  
First I got lost, then I got found  
But the ones that I love are in the ground  
Papa I only wish you could see me now  
Take a listen papa  
Whoo, I learnt how to play my guitar  
Gonna be a superstar

First I got lost, then I got found  
The ones I love are in the ground  
Won't you tell me please was I right or wrong

If there's any way you can hear what I say  
Papa, I never meant to do you wrong  
All the money, girls and cars. And all the words and all the ci  
gars  
Papa, I just want you to know they couldn't take your place

When I went home to show 'em they was wrong  
All that I found was two tombstones  
Somebody tell me please was I right or wrong  
Oh, such a sad song  
First I got lost, then I got found  
But the ones that I love are in the ground  
Somebody tell me please was I right or wrong
