What's Your Name

Lynyrd Skynyrd

Well, its 8 o'clock in Boise, Idaho
I'll find my limo driver
Mister, take us to the show
I done made some plans for later on tonight
I'll find a little queen
And I know I can treat her right.

[Chorus] What's your name, little girl? What's your name? Shootin' you straight, little girl? Won't you do the same?.

Back at the hotel Lord we got such a mess It seems that one of the crew Had a go with one of the guests, oh yes Well, the police said we can't drink in the bar What a shame Won't you come upstairs girl And have a drink of champagne

What's your name, little girl? What's your name? Shootin' you straight, little girl? For there ain't no shame.

[Chorus]

[Chorus]

9 o'clock the next day And I'm ready to go I got six hundred miles to ride To do one more show, oh no Can I get you a taxi home It sure was grand When I come back here next year I wanna see you again

What was your name, little girl? What's your name? Shootin' you straight, little girl? Well there ain't no shame What was your name, little girl? What's your name? Shootin' you straight, little girl? Won't you do the same?
