Måneskin

Hi everybody this is Måneskin,
you're listening to Chosen
listen clear now, baby
ya, ya 'cause it begins like...

I started when I was 17 and now I'm here brah
You don't even know what it means, so let me explain ya
I go far very far from my dreams and now I believe ya
But I but I don't need no money in my jeans to be an artist
One two three

This is not music, this is life, this is what I live for
So let me introduce myself cuz I can't take no more
Here there's too many stupid people and they have control
I got a plan in my mind and I won't let go
I've got a pistol in my head, pam pam pam shoot
And I don't wanna hear you so please shut up and now

Hey hey hey, follow me, follow me now
Hey hey hey, follow me, follow me now
Hey hey hey, follow me, follow me now
Listen now now now now now now
Follow me, follow me now

One two three yeah

I started when I was 17 and I'm not scared, I'm honest yeah
And I know that it sounds cliché but this is my moment, this is my moment
And I don't care what people think cuz I am born for that yeah
Because my voice is the voice of a beast
I wanna take it all man so I'll take it all man

This is not music, this is life, this is what I live for
So let me introduce myself cuz I can't take no more
Here there's too many stupid people and they have control
I got a plan in my mind and I won't let go
I've got a pistol in my head, pam pam pam shoot
And I don't wanna hear you so please shut up and now

Hey hey hey, follow me, follow me now
Hey hey hey, follow me, follow me now
Hey hey hey, follow me, follow me now
Listen now now now now now now yeah
Follow me, follow me now

Follow me now
Follow me now
Follow me follow now

Hey hey hey, follow me, follow me now
Hey hey hey, follow me, follow me now
Hey hey hey, follow me, follow me now
Listen now now now now now now
