

# Don't Look Any Further

M People

Someone to count on in a world ever changin'.  
Here I am, stop where you standin'.  
What you need is a lover, someone to take over.  
Oh baby don't look any further.

Strange when you think of the chances  
That we've both been in a state of mind.  
Too cool to be careless, looking for the right thing.  
Oh baby don't look any further.

Tonight (tonight) we're gonna taste a little paradise.  
Rockin' all night long. rockin' all night long.  
Daylight (daylight) I'll still be looking in your heavenly eyes  
.

Oh we rocked on and on and on.

[Chorus:]

Day o umba day o mambu ji ay o.  
Don't look any further. don't you look no further.  
Day o umba day o na jam bay um bay o.  
Don't look any further.

Someone to count on (someone to count on) in a world ever chang  
in'.  
Here I am, stop where you standin'.  
What you need is a lover (you need a lover)  
To love you all over (love you all over).  
Oh baby don't look any further (further).

Tonight (tonight) we're gonna taste a little paradise.  
Rock you night long. rock me all night long.  
Daylight (daylight) I'll still be looking in your heavenly eyes  
.

We'll go on and on and on.

[Chorus x2]

Tonight (tonight) we're gonna taste a little paradise.  
Rock you night long. rock me all night long.  
Daylight (daylight) I'll still be looking in your heavenly eyes  
.

We'll go on and on and on.

[Chorus]
