Love Left For Me

You just said the worst thing you could ever say Well, I don't understand why it just can't be this way I'm crying because of you

I hate, yes I hate all your lies I'm so scared And I fear what I see in your eyes But I hope, and I dream, and I wish, and I pray That you have some love left for me Do you have some love left for me?

You just did the worst thing you could ever do to me Well, I don't understand why and I cannot see That it's hurting because of you

I hate, yes I hate all your lies I'm so scared And I fear what I see in your eyes But I hope, and I dream, and I wish, and I pray That you have some love left for me Do you have some love left for me?

Do you have some love left for me? Do you have some love left for me?

I hate, yes I hate all your lies I'm so scared And I fear what I see in your eyes (you don't feel anything) But I hope, and I dream, and I wish, and I pray That you have some love left for me Do you have some love left for me?
