## **All Falls Down**

## **Machine Head**

Anticipating, salivating, intoxicating How I've been waiting To gently soak in Your dream that's broken Caress my hands Around your throat When I choke the last gasp of air out of you

I'll mesmerize you, hypnotize you Paralyze you, my snake eyes blind you My tenderest tickle, my gentlest prickle The back of your neck I stab icicles

My sweetest grin will pull you in Behind that grin a razor teeth smile Under your bed Inside your head I am the monster in wait

Walk, run I'm the fear you've become Pray, hope Before it's your Downfall, and all falls down

I patronize you, victimize you My false pretenses endear me to you I'm psychopathic, psychosomatic Believe everything you've heard about me

Ate you alive since you were a child That's when the monster first appeared to you So know my name What is my name? My name is fear and I'm you

Walk, run I'm the fear you've become Pray, hope Before it's your Downfall, and all falls down

With faith I crawl In sadness, I fear what I've become 'Cause after all I'm acting, pretend my smile on Before the fall The pain washes over Hold on, hold on Survive Survive This

Walk, run Free the fear you've become Fight back Before it's your Downfall, and all falls down
