Machine Head

Well I look at justice in a different light  
I been to jail, it didn't make me right  
Try and conform, but won't be deaf, blind, dumb  
Been beaten down, just harder I've become

Hey Jesus can't you help me with my pain  
Mainline me some religion, keep me sane  
Christ suffering upon my TV screen  
Send in your money to the faith obscene

R:

Strength, truth and honor, words I strive to live  
Your faith's profane, it takes, never gives  
'Cause I'm gonna die standing upon my feet  
You're gonna die groveling on your knees
