

All Hell Breaks Loose

Mad Sin

walls are closing in around you
my twins of evil
shake you by the collarbone
then shake your ribcage
broken bodies in a death rock dancehall
please be my partner
eyeballs pop excelerated blood beat
veins are shaking
and all the hell breaks loose!
who but me could write the book of cruel
i send my murdergram to all the monsterkids
it comes right back to me
signed in their parents blood
and all the hell breaks loose!
yeah my heart is breaking loose!
...my whole world is breaking loose!
