

No Mercy

Mad Sin

listen to the words that i tell you right now
we came out of the darkness and that's serious my dear
and what will happen after the death
that's a question who gives you chills for fear
but we know, we know, we know, we know
do what you want, do what you wanna do !
i know one day he'll get your soul
do what you want, do what you wanna do !
and try to be no fucking fool !
we all know him and maybe we see him soon
then he laughs in your face and says
"your time has come"
it doesn't matter if you're rich or if your por
no one can escape that's for sure
no one, no one, no one, no one
do what you want...
we all know him...
do what you want...
we all know him...
do what you want...
