

This next song goes out to all the kids  
Who are keeping it real  
By turning their backs on hardcore bands that make any money  
Fuck that man  
Hardcore isn't about money  
It's a way of life  
Sure I live with my mom right now  
But I'd live on the streets if I had to  
And I know in my heart  
That one day, I'm gonna graduate from college  
Get a real job  
And forget all about hardcore  
But until then I'm gonna talk as much shit as I can  
DIY!

D.I.F.M.M. fuck you!  
D.I.F.M.M. fuck you!  
D.I.F.M.M. fuck you!  
D.I.F.M.M. fuck you!
