

## Pushin' Me

**Madball**

I'm tryin' to keep calm and you're pushin' me  
I'm tryin' to keep my calm and see you're still pushin' me  
I don't know why you keep pushin' me  
I'm tryin' to keep my calm and see you're still pushin' me!

You've pushed your luck with me and I don't  
Appreciate the fact that you're tryin' to intimate me  
I've tried to keep my cool  
But you've taken it from me
