

Show No Fear

Madball

i will not hesitate,
if i wait, i give in to chance and i cant live life that way.
can you read my face,
theres no way i'll turn and walk away so just make your mistake
.
so when the time comes i dont care,
when the time comes i'll be there,
when the time comes show no fear,
cuz its time and im right here.
i will not lose face, i'll save,
everything i am cuz thats just how i was made.
i will not hesitate,
if i wait i give into chance and i cant live life that way.
a wise man once said to me
"son, dont you ever back down to no one",
cuz i'll be there, dont show no fear.
