

# The Crown

Madball

I won't walk away from you, not like this  
I have unfinished business  
We went away for a minute, I know  
Two years and a minute I suppose, here we go  
Back on this journey again  
For worse or for better, we came to make amends  
With ourselves, our friends, and our families  
This is for them

I've seen a lot of changes (a lot of changes)  
Within ourselves, within our scene  
I'm not trying to rearrange things  
There's only one way I can say this (I can say this)  
We've come back for the crown  
It's time to claim it

It's only begun, the second chapter of what's to come  
We're not done, we strayed for a minute, I know  
It's time we let everybody know, here we go  
We're back on this grind again  
For worse or for better, we came to represent  
Ourselves, and our friends, our families  
This is for them

Where there's love there's always hate  
Where there's respect there's always envy  
We know some wanna see us fail  
We won't stop 'til I get what's mine  
We've stood the test of time  
Now we will prevail  
We came for the crown

This is the last time that I say this  
We are here for the crown  
It's time to claim it
