

You Reap What You Sow

Madball

You talk to much
And I guess I ...
..shoes you never wear the socks
Being you and being me sometimes is tough
I'm better ..but I got myself..
You on the other hand ...
You never grew up, manage to never do much
And from this vanish point,
I have the advantage of guts
Something you lack,
but I still wish you luck!
You snob!

I see the fall of many man
I watch my clock, I...
Inside I say no,
My clock say yes
..so we don't be hard to forget
And I forget
Probably wish you still, but...
I guess follow that heart...

You reap, you reap what you sow
Speak about what you don't know
You reap, you reap what you sow
Speak about what you don't know

... I'm still the center for pleasure
Hard to slay
I do this for my...
Lucky I'm not the man I used to be
Not worthy of being my enemy
Not worry, be of much of everyday
But you deserve a second chance
... or maybe not from every day

You reap what you sow
You reap what you sow
You reap, you reap what you sow
Speak about what you don't know
You reap, you reap what you sow
Speak about what you don't know

You talk to much, but I guess you..
Just being you is rough, and you're not used...
I won't kick you while you're down...
No I won't pick you up
Confused now I...
This world is gone...
I don't say much
Can't get stuck on a ... how I hold up
I show up, and now it's time to show you what's up
Because we rip what we sow!
