

We all go a little mad sometimes. He just...goes a little mad sometimes

Sick of gay, sick of gay, sick of gay habits  
Now I ping-pong like I'm Ricochet Rabbit  
Ain't nobody getting sick of me. I never skip a beat  
Look at me. I turn a rapper into faggot fricassee  
On to being blonde and smelly. Thumbs up like Arthur Fonzarelli  
I'm James Bond but got a hunkered belly  
Hella grubby. Jump on stage, look like a Teletubby  
Girls all in the front row, still all of the fellas love me  
Because I'm underground. Love the fucking underground  
Wonderful the undertow. I love to make the thunder pound  
Throwing bolts of lightning like the mighty Thor from Asgard  
Rock like Nazareth. Jump on tracks and spaz hard  
Last five years of my life was the bad part  
Next ten years of my life, I'm making mad art  
My priority is high priority  
I'm hi-fi Sci-Fi; prizefight orally

People listen to me and say that's that shit  
Every verse is better than my last batch is  
Never hear me do no half ass shit  
I'm a lab rat, fat cat. Mad's back, shit!

I'm not hard to figure out: you could read me like a leaflet  
A hyperactive beatnik with psychiatric treatment  
I don't care if it is forever or only briefly  
Every rapper in the world is going to be beneath me  
Trust me, you don't want to fuck with me. I'm sucker-free  
Stab you with your mother's cutlery. I'm not your cup of tea  
Super Beast: a stupid geek and toy-collecting comic nerd  
Sound alarms and dropping fucking bombs with each atomic verse  
I'm lawless, mother-fucker; I'm lawless  
I'm flawless. On the rocks again like I'm a walrus  
Do what seems impossible to some. I'm a honkey  
I'll kick you in the mother-fucking face like I'm a donkey  
I'm bonkers. I'm wacko. I'm loopy. I'm zany  
Say goodnight to the bad guy and 'fuck you; pay me'  
Explosive like a landmine. Hot like a sand dune  
Strong like bamboo and clean like shampoo

People listen to me and say that's that shit  
Every verse is better than my last batch is  
Never hear me do no half ass shit  
I'm a lab rat, fat cat. Mad's back, shit!

(Crazy) Mother-fucker I am  
(You're crazy) Mother-fucker I am  
(You're crazy) Tell these ducks that I'm  
(I like you, but you're crazy)
