

# River People

Madina Lake

I'll take your crystal ball and make this crystal clear,  
that I won't stand back and I won't drown right here  
I'll never wait, I'll make a million mistakes  
but to be content is to be a disgrace

Restless, faceless, you've lost your mind  
Faithless, tortured, you've lost your mind

They crawl in your head  
They dig in your bones  
If you let them, they won't let go  
They have no hope  
They have no soul  
If you let them then they'll take yours

You think it feels better on the other side  
'cause their grass is green and your grass is diseased  
every day drowns in lethargy  
but to be content is to burn your wings

Faithless, tortured, you've lost your mind

They crawl in your head  
They dig in your bones  
If you let them, they won't let go  
They have no hope  
They have no soul  
If you let them then they'll take yours

When you die you want the world  
To remember you for who you really are  
And when you die you want  
to love yourself cause you'll be all alone

They crawl in your head  
They dig in your bones  
If you let them, they won't let go  
They have no hope  
They have no soul  
If you let them then they'll take yours

It's all in your head  
Don't fear the unknown  
'Cause you'll let the unknown take control  
So let yourself go  
And let yourself grow  
Don't you let 'em dig you a hole

Restless, faithless, you've lost your mind  
Faithless, tortured, you've lost your mind
