

Don't Cry For Me Argentina

Madonna

C **F**
It won't be easy, you'll think it's strange
G
when I try to explain how I feel,
C
that I still need your love after all that I've done:
D
You won't believe me all you will see is a girl you once knew
D/C **G** **D**
G
although she's dressed up to the nines at sixes and sevens with
you.

I had to let it happen, I had to change;
couldn't stay all my life down at heel:
Looking out of the window, staying out of the sun.
So I chose freedom. Running around trying everything new,
but nothing impressed me at all, I never expected it to.

C
Don't cry for me Argentina.
The truth is I never left you

G
All through my wild days,

Ami
my mad existence,

C
I kept my promise,

F
don't keep your distance.

And as for fortune, and as for fame,
I never invited them in:
Though it seemed to the world they were all I desired.
They are illusions.
They're not the solutions they promised to be,
I love you, and hope you love me.

Don't cry for me Argentina...

F7 **Emi**
Have I say too much? There's nothing more I can think of to say
to you.

F7 **C**
But all you have to do is look at me to know that ev'ry word is
true.
