Everybody comes to Hollywood

Hmi D G E

They wanna make it in the neighborhood

Hmi D G E

They like the smell of it in Hollywood

Hmi D G E

How could it hurt you when it looks so good

Hmi D G E

Shine your light now

Hmi D G E

This time it's gotta be good

Hmi D G E

You get it right now, yeah

Hmi D G E

'Cause you're in Hollywood

There's something in the air in Hollywood

The sun is shining like you knew it would

You're ridin' in your car in Hollywood

You got the top down and it feels so good

Everybody comes to Hollywood

They wanna make it in the neighborhood

They like the smell of it in Hollywood

How could it hurt you when it looks so good

Hmi D G E

I lost my memory in Hollywood

Hmi D G E

I've had a million visions, bad and good

Hmi D G E

There's something in the air in Hollywood

Hmi D G E

I tried to leave it but I never could

Shine your light now

This time it's gotta be good

You get it right now, yeah

'Cause you're in Hollywood

There's something in the air in Hollywood

I've lost my reputation, bad and good

You're ridin' in your car in Hollywood

You got the top down and it feels so good

Hmi D G E Hmi D G E

Music stations always play the same songs

I'm bored with the concept of right and wrong

Everybody comes to Hollywood

They wanna make it in the neighborhood

They like the smell of it in Hollywood

How could it hurt you when it looks so good

Shine your light now
This time it's gotta be good
You get it right now, yeah
'Cause you're in Hollywood
'Cause you're in Hollywood
'Cause you're in Hollywood
In Hollywood
