## I Want You

Madonna

I, yi yi yi (3x)

I want you the right way I want you, but I want you to want me too, Want you to want me baby Just like I want you

Da da, da da, da da da

I'll give you all the love I want in return But half a love is all I feel, sweet darling It's too bad, it's just too sad You don't want me no more But I'm gonna change your mind Some way, somehow

I want you the right way I want you, but I want you to want me too, Want you to want me baby Just like I want you

Da da, da da, da da da

One way love is just a fantasy To share is precious, pure and fair Don't play with something you should cherish for life Oh baby, don't you wanna care? Ain't it lonely out there?

I want you the right way I want you, but I want you to want me too, Want you to want me baby Just like I want you

I want you the right way I want you, but I want you to want me too, Want me baby, just like I want you. Da da, da da, da da da

I want you, the right way Want me baby Don't play with something you should cherish for life
